# World Healthcare Conference & Expo 2021

15-16 April 2021 at Virtual Forum

Theme :

**Medical Healthcare Transformation: New Normal to Next Normal**

## Invitation

*Dear Colleagues:*

We are delighted to announce that **The EEF Modern Healthcare** would be organizing **World Healthcare Conference & Expo 2021 (WHC21)** from **15<sup>th</sup> to 16<sup>th</sup> April 2021** with the national and international associations. Theme of the conference is **“Medical Healthcare Transformation: New Normal to Next Normal”**.

The conference facilitates dialogue across the healthcare community to tackle a wide range of healthcare challenges ahead - from shaping the future of healthcare industry policy to activating a successful healthcare transition around the world. **The WHC21** is not just an conference. It's an ongoing conversation about the business of modern healthcare. Our mission is to connect professionals from the globe to catalyze relationships that transform the delivery, affordability, and quality of healthcare.

At the EEF Modern Healthcare platform, the World Healthcare Conference & Expo reaches across the globe, public and private medical sectors to connect and inspire physicians, healthcare executives, leaders, venture capitalists, diagnostics, medical practitioners of the healthcare value chain. The Conference is a unique space for the global healthcare community to explore, build new global collaborative networking opportunities and forge new pathways in the healthcare transformation.

**The WHC21** offers all participants an opportunity to benefit from Plenary Lectures, Keynote Addresses, Review and Forecast Papers, Poster Presentations, World CEO Forum and Panel Discussions. The Exhibition segment will provide a window for the exposition of the latest developments in medical devises, equipments, products, innovation, technologies and services in the modern healthcare industry.

**We cordially invite you and your peers to contribute to the conference and participate in the Expo. Your presence and valued participation is key to the success of the World Healthcare Conference & Expo 2021 (WHC21).**

Look forward to welcome you and your spouse for a stimulating exhilarating professional experience at **World Healthcare Conference & Expo 2021 (WHC21)**.

Best regards.

WORLD HEALTHCARE CONFERENCE

**15 - 16  
April 2021  
Virtual**

## The Conference Aims to:

- ♦ Simulation in Healthcare is to celebrate the immense power and purpose that can be found in healthcare simulations. These simulations provide total immersion in various situations so you can become more effective when improving or saving people's lives.
- ♦ Healthcare decisions based on the most currently available evidence. Practice will gain insight into the future of healthcare policy, the nature of coverage and the challenges that are coming.
- ♦ Learn about how the experts are defining research requirements to help us evaluate and improve policies.
- ♦ Provide an opportunity and open forum to exchange information, share experiences and best practices by bringing together experts, investors and other multi stake holders of public and private sectors, advisory groups, governments, NGOs, non-profit organizations and academia.
- ♦ Share ideas in an effort to improve modern healthcare quality and delivery in the region.
- ♦ Provide an International window to showcase Indian expertise, capabilities.
- ♦ Promote Global co-operation in business and technology.
- ♦ Provide an opportunity for interaction and networking.
- ♦ Identify new areas for future co-operation and technology transfer.

## Key Issues

- ✓ Harnessing Advanced Health Technology.
- ✓ Information and Integrated Health Services.
- ✓ Cybersecurity - Connected medical devices and a greater need to keep the records of patient information attract the attention of malicious hackers to healthcare providers.
- ✓ Rising Healthcare Costs.
- ✓ Healthcare Staffing Shortages

## The Exhibition will:

Focus on Innovative Technologies, Equipments and Services to:

- ♦ Showcase India as a potential investment destination for healthcare sector.
- ♦ Gain competitive advantage
- ♦ Provide a platform for State-of-the-art technology displays
- ♦ Healthcare Technology industry partners
- ♦ Equipment & Services
- ♦ Technology and infrastructure
- ♦ Reach buyers and demonstrate technology leadership
- ♦ Display Research & Development
- ♦ Demonstrate the sectoral strength of the global healthcare industry.
- ♦ Facilitate buyers
- ♦ Create interest in Young India Researchers
- ♦ Advanced healthcare

## Call for Papers

**World Healthcare Conference 2021 (WHC21)** is now accepting abstracts. Submit your abstract of original paper in 150-200 words by **March 15, 2021** and take advantage of this opportunity to share your insight with the experts, solutions for a modern healthcare. Modern Healthcare is committed to reporting on stories about healthcare organizations that are transforming themselves and the healthcare system into one that delivers higher quality, safer, more patient-centric and more affordable care. **PAPERS/ABSTRACT** are invited online to present global best practice, advances in fundamental science, innovative research, policy developments, and solutions to challenges faced by healthcare professionals worldwide on following sector:

- ♦ Improve payer-provider collaboration & support the entire continuum of care
- ♦ Use next-generation technology to increase access to care
- ♦ Medicaid & Health Policy
- ♦ Shift to a culture that values augmented intelligence
- ♦ Explore use cases and examples of applied AI/ML technologies
- ♦ Learn tips and tricks to efficiently transition from a Clinical to a Leadership Role
- ♦ Realize Behavioral Health Integration
- ♦ Occupational Health and Safety
- ♦ Methodology to evaluate medical safety devices.
- ♦ Healthcare Psychology
- ♦ Healthcare Services and Technologies
- ♦ Healthcare Oncology and Treatment
- ♦ Public Health and Epidemiology
- ♦ Cardiology
- ♦ Cancer Care
- ♦ Pharmaceutical Medicine
- ♦ Regenerative Medicine
- ♦ Stem Cells - Tissue engineering - Stemcell Transplantation
- ♦ Cancer Treatment - Next Generation Sequencing (NGS) - Cancer Stemcells
- ♦ Tissue Engineering - 3D Bioprinting and Bio-fabrication
- ♦ Artificial Organs
- ♦ HIV & AIDS

### To Improve your Chance of Success, Consider the Following Criteria:

- ♦ Ensure that your paper fits the thematic tracks and that it's relevant for experts and non-experts.
- ♦ Submit original content. Describe breakthrough technology, new concepts, novel applications of established concepts or improvements to existing theories (with new supporting data).
- ♦ Ensure that the work is well developed. If you can show concrete results that are well supported by data, your paper is more likely to be accepted.
- ♦ Clearly show how significant your work is. Your research must be relevant for the world, region or for other researchers and/or professionals working in your field.
- ♦ Prepare your outline with care, organise your material well, write clearly in plain english, prepare your graphics professionally, and make sure your information is accurate, up to date, and referenced.
